Newport

The Ahwaneda returned from Portland on the 14 with 85 tons of freight for Newport and Toledo.

From the time she crossed the Columbia bar it was only twelve hours till she arrived at Newport. Quick trip.

The Mirene, Captain May, came in over the bar just ahead of the Ahwaneda with a full cargo of shingles, coal and merchandise for Newport.

Secretary of State Ben Olcott and wife stayed over night at the Abbey while on their way home from a visit to Yachats and Alsea Bay. The Secretary after the adjournment of the late spectacular legislature needed rest and recreation.

Married at the Presbyterian church Sunday at 2 o'clock p. m., Mr. Sidney Pritchett and Miss Fae Coffield. Rev. Charles T. Hurd officiating. The happy couple left on the Monday morning train for Weiser, Idaho, where they will make their future home. The good wishes of a host of friends go with them.

The Ollie S. Captain Cramer, went down to Seal Rocks to shoot sea lions. At this season of the year the rocks are covered with them. The boat got very close to the rocks before the lions discovered it was there. At the first fire three lions were killed and a dozen more wounded. These rocks have been the home of the lions for time immemorial. Here they come to sun themselves on the rocks and to fight, play and roar so that they can be heard for miles around. This is quite an attraction to tourists and pleasure seekers. In California the sea lion is protected by law because of the great attraction it affords to the people. At the Cliff House and the Catalina Islands these animals are never disturbed. It seems cruel to kill them.

The Newport Fire Department gave a splendid entertainment and banquet at the I.O.O.F. Hall on the evening of the 14th. Given to the Civic Improvement Club, the Commercial Club and the City Council.

150 plates were set and the spread was the best ever had at Newport. The ladies of the Civic Club prepared the supper and it was all that could be desired by the most fastidious. A short program was rendered before going to the banquet hall. William Matthews acted as toast master. After supper speech making was the order of the evening. Mayor Wilcox was the first to speak. He made a felicitous talk on the splendid supper, the great interest the ladies took in preparing it and the great benefit these social gatherings had for the improvement and benefit of the people. The Mayor closed because he was to full for further utterance. R. A. Bensel was the next to speak. "The reminiscences of the past." He spoke of the growth of Newport from the time he first saw it up to the present time. Said the beach was covered with drift and logs and the hills with big trees, brush and Indian graves. Said the bay was beautiful and the surrounding country wild and romantic.

Mr. Bensel told in part how the Indians were brought to the Siletz Reservation after the war of 1855-6 and how Tye John the Shasta War Chief came near taking the block house at Siletz by a piece of strategy, which was foiled by the courage of Tye Joe the Klamath Chief. Had John succeeded all the soldiers as well as the whites on the bay would have been massacred. Joe was always a friend to the whites but he never received any reward for it. Mr. Blanchard, president of the C. S. G. I. v. n. the veteran booster of Newport and others made interesting talks. One lady said the best way to reach a man's heart was through his stomach and the best way to unite the people of Newport and Nye Creek was for the ladies to put up good feeds.
